

## Amendment

What is an amended return? The phrase amended return refers to **changes made to a tax return from prior years**. If you made a mistake on your tax return, filing an amended return with the Internal Revenue Service (IRS) corrects the errors.

If this fits your criteria *Altia* can help you: *(Choose one of the follow options)*

- Fill up the [short form](#) and [upload](#) your documents; we will call you and book an appointment for you

- Call Book an appointment and [upload](#) the documents or drop your documents in our office.
